

# Hey! Thanks so much for downloading this song.

I hope it serves you well on whatever project you are working on.

If you enjoy my work, and want access to a ton more stuff like this,  
[please consider checking out my Patreon!](#)

**But don't get me wrong, I want to EARN your support.**

I don't want money for nothing. **That's why I work hard to produce 2 new songs each and every week.** I cherish each and every one of my Party Members so much, because they allow me to do what I do.

By supporting, you can get access to **over 130 songs for as little as \$3.**  
**(My Mage tier can access almost 300!)**

**That's less than a cup of coffee each month, and the number of songs grows every week!**

*You can also gain access to ALL of my music packs, a ton of Patreon Exclusive songs, and to my private Discord server, where **you can make requests and suggestions for songs.***

**It's like having your own personal composer on the payroll. :D**

**[So please, join the Party! If you enjoy my music, you won't be disappointed.](#)**

**Thanks for your support, I'll see you there!**
